

CDBG 2023 Open Application Period

The St. Louis County Office of Community Development will soon be accepting applications to competitively award CDBG funds to nonprofit organizations and County departments.

Applicants will have the opportunity to apply under two funding categories:

- **FY2023 Funds:** These funds are expected to be available in Fall 2020, and must be fully expended within one year.
- **Pre-2023 Funds:** These funds are typically available immediately upon execution of a grant agreement, and must be fully expended by October 15, 2023.

IMPORTANT NOTE: There is now only one application period per year to award funds in both categories. Applications will not be accepted after the deadline!

New this year! We will offer a technical assistance workshop for prospective applicants. In this free two-hour workshop, we will walk through the application process and discuss best practices for managing your CDBG award, with a primary focus on public service activities. More details and instructions for how to RSVP will be shared in the near future.
