0.98 mile loop. Hike twice the Fox Run Fitness Trail to a small section of Twin Bridge Trail, then along Heritage Trail back up Fox Run to the Trail Head for a nearly 1.0 mile loop. Along the way stop and try some of the fitness stations located on the trail. The landscape is mixed forest and open and is gently rolling, grading down to Gravius Creek. Clydesdale also serves as a great access point to the Grant's Trail, which runs through the northern most edge of the Park.
