## LETTER OF INTENT

Captain Steven Tucker,  
Director St. Louis County and Municipal Police Academy  
1266 Sutter Avenue St. Louis County, Missouri 63133-1934

Dear Captain Tucker:

The \_\_\_\_\_ Police Department/Sheriff herein declares that it will become a member of the St. Louis County and Municipal Police Academy Continuing Education Programs for the fiscal year January 1, 2025, through December 31, 2025. This will include access to training provided by the CMPA for the Continuing Education Programs, specialized classes advertised as no cost to CMPA members and computer training. This will also include the use of the fitness center, track, Virtra system, and computer lab during academy hours.

I understand that a requirement for membership will be payment of a department tuition cost, which will be determined by multiplying the total number of full-time commissioned officers or certified reserve officers on our department by the \$175.00 shared Continuing Education Programs training costs. Continuing Education Programs for dispatcher/non-commissioned training will be multiplied by number of dispatchers and \$50.00.

Under this tuition-paying program, only full-time officers commissioned, or certified reserve officers may attend the seminars. Should our Department wish to send part-time officers or non-certified reserve officers, they will be charged the full cost of the individual seminar programs.

Our current Department authorized full time commissioned strength is \_\_\_\_\_. Our current number of dispatchers/non-commissioned is \_\_\_\_\_.

Our Department \_\_\_\_\_(does)\_\_\_\_\_ (does not) wish to defer payment until the beginning of our 2025 fiscal year. Our fiscal year begins on \_\_\_\_\_.

I certify that the above personnel are certified by P.O.S.T. as peace officers or certified reserve peace officers. I am aware that all officers and/or dispatchers that attend the CMPA shall be subject to follow all academy rules and regulations or they can be dismissed from any class.

I understand and agree that there may be no modification of this agreement except in writing, signed by both the Director (CMPA) and myself. I further understand and agree if this agreement is terminated prior to the end of the contract year, I will be required to pay full individual program costs for any classes attended by my officers.

Sincerely,

\_\_\_\_\_  
Chief of Police/Sheriff/Supervisor

\_\_\_\_\_  
Department
