

NOTICE TO INDUSTRY REGARDING ORIGINAL SEAL(S) ON PLAN SUBMISSION FOR PERMITTING

April 8, 2020

Due to the COVID 19 Pandemic, St. Louis County Department of Transportation and Public Works is waiving the requirement for original seal, signature and date by the Missouri Registered Design Professional on plans submitted for permitting as long as:

- **Plans and calculations requiring Missouri Registered Design Professional involvement are signed, sealed, and dated (electronically or copied) and the seal date is within 30 days of date the plans are submitted to this office.**
- **The plans indicate the address of the project in the plan title block.**
Exception: Masterplans
- **Plans that are not required to be prepared by a Missouri Registered Design Professional. Additions and renovations to one and two family dwellings and townhouses typically do not require Missouri Registered Design Professional involvement.**
